

A message from Tina Payne Bryson, Ph.D.:

Thanks for attending my presentation. I hope you gained new insights and applications for relating to the children you care about. If you're interested in learning more, or you'd like to receive my newsletter and social-media blasts, please click the links below.

You can also read articles, listen to podcasts, and watch video blogs about kids and parenting at my website, [TinaBryson.com](http://TinaBryson.com).

Here are the links to two videos I thought your community might find useful:
